Morrie Brand, Music Director

Morrie Brand has extensive experience in performing, teaching, conducting and composing orchestral music. He was a member of the St. Paul Chamber Orchestra in the 1970s and worked frequently with the Minnesota Orchestra. During that time he taught at the MacPhail School of Music in Minneapolis, and served as percussion coach for the Greater Twin Cities Youth Symphonies.

A college teacher for over ten years, he founded the Edgewood Chamber Symphony in Madison (WI) in 1993, serving the needs of the Edgewood College, a four-year liberal arts college. He formerly served as music director of the Madison (WI) Community Orchestra and Clark College Community Orchestra (Vancouver, WA), in addition to guest conducting numerous youth orchestras.

Brand holds a Master of Music Degree in Orchestral Conducting from the University of Wisconsin/Madison, where he also studied Arts Administration. He served as managing director of the Westmoreland Symphony from 2000-2017 and founded the WSO Academy of Music in 2005.

Since moving to Greensburg, he has been very involved in promoting the playing of string instruments, creating new opportunities for group performance and encouraging private lessons for youth and adults alike. He serves as music director of the WYSO Program and is the director of the WSO's Academy of Music. He founded the Summer Philharmonic, a community orchestra, in 2013.
